EXCURSION TO GOZO

30th SEPTEMBER
- 1st OCTOBER

MALTA
STOCK EXCHANGE

After a week experiencing Malta, we thought we'd afford you an opportunity to experience the more tranquil side of Maltese living. Part of the Maltese archipelago, Gozo is more rural than its sister island, Malta, and has a population of just 31,000. Home to some of the oldest structures in the world, including the fascinating Ġgantija temples, the island offers dramatic orange-red sands, an uniquely rural environment and clear seas ideal for snorkelling. So join us at the Malta Stock Exchange for a fabulous tour of Gozo.

Friday - September 30th

0915

Bus pick up from the Hilton Hotel. Please be checked out and ready to board transport taking us to the fast ferry service in Valletta. The ferry service will take approximately 45 minutes where transport will be organized to take us to the Grand Hotel just minutes away.

1030 – 1130

Grand Hotel, check in. Check-in, get unpacked, relax a bit, and we'll meet you in the hotel lobby at 1130. We'll board buses and our Gozo adventure will begin.

1145 – 1230

A tour of the Ġgantija temples, a megalithic temple complex located in Xaghra, east of Victoria. This Unesco World Heritage site is older than the Egyptian pyramids and Stonehenge. "Ġgantija" means "giant" in Maltese. Gozitan people were convinced that only giants could have been able to carry and put together such massive rocks. Some of them weigh more than 5 tons and are 5 metres long. Even today, no one really knows for sure how these rocks got there. The site is made up of 2 temples: the South and the North one. Both form a vast 40 metres long and 6 metres high complex. There is also a small museum with fascinating information about the site and artefacts found there.

1245 – 1330

Lunch. A light Maltese lunch of local wine, cheese, delicious Maltese bread and cold anti-pasta at the Ċitadella in Victoria.

1330 – 1415

The Ċitadella tour. A guide will walk us through the Cathedral museum, the old prison, the Grain Silos, the Battery and the WWII Shelter. Along the winding streets, we will find the historic Chapel of St. Joseph and a number of holy niches (shrines) and bass reliefs. You will also see well-preserved Norman-style windows and arches, and coat-of-arms that are affixed to the façade of historic houses and church buildings. This very old Citadel also shows its age, partly due to weathering and the toll of time while some is the deliberate work of Napoleon's troops who briefly occupied the island at the end of the eighteenth century.

1415 – 1515

Sight seeing tour around Gozo to explore the island of Gozo in style on a sightseeing bus. Discover popular landmarks such as Ramla beach, Marsalforn and Xlendi bay.

1515 – 1615

Country walk. Gozo is a small island with a marvellous landscape and a rich history providing many wonderful experiences for the rambler. You can expect a peaceful country walk along cliff-tops with amazing panoramic views.

1615 – 1900

Back to the Grand Hotel, where we will have time to freshen up, rest and relax, in time to be in the hotel lobby by 1900 for transport to dinner.

1930 – 2200

Dinner. Expect a lovely 4-course Mediterranean dinner, with free flowing wine and excellent food.

2215

Transport back to the hotel and a peaceful night after what will be a very eventful day.

Saturday - October 1st

1200

Hotel Check Out. Since some may decide to spend additional time in Gozo, you will have to make arrangements for transport back to Malta or to the airport. However, Malta Stock Exchange staff along with the Grand Hotel staff will be happy to assist you in making these arrangements. Have a safe trip home!
